

Net reports should be sent to the Net Manager, KD4IMA, within a few days following the net and prior to the 4th day of any following month. Net reports can be sent as formal written traffic via the Tar Heel Emergency Net, any NTS net or via e-mail to kd4ima@arrl.net.

Include in this report the date of the net, number of check-ins, total traffic listed, traffic passed, and the time of the formal portion of the net.

An example in ICS-213 format appears below.

ICS 213
